Dear Paul:

It was great meeting you yesterday. Thank you for helping me review both the Yamaha C2 and the Kawai RX2 BLAK grand pianos. The comparison was very informative and critical in my decision to purchase the Kawai RX2 BLAK piano. My family and I are very excited about our new piano.

Enclosed is a check for the balance due, . We look forward to playing the piano in our own home very soon. That is, once I learn how to actually play the piano. What a wonderful instrument to learn on!

Thanks again for your assistance. You and Doug have both been a wealth of information and have made my piano search a pleasant one. Lastly, if possible I'd really appreciate if you could send me a brochure on the RX2 BLAK (or whatever brochure Kawai provides).
Thanks.

Best Regards,

 *Bossi*
